PIG® Rip-&-Fit® HazMat Chemical Absorbent Mat Roll in Dispenser Box

MAT342 Heavyweight, 38cm x 18m, 1 roll

Extra perforations let you create custom sizes of PIG HazMat Mat without cutting. Just "rip" it along the easy-tear perfs and "fit" it into place.

- Absorbs the widest range of acids, caustics and unknown liquids - even those with high concentrations like 98% sulfuric acid and 30% sodium hydroxide
- Chemical-resistant mat won't degrade or cause a dangerous reaction upon contact with corrosive spills
- Extra perforations in our Rip-&Fit Mat allow you to easily "rip" this PIG Mat and "fit" it to your application without cutting
- No matter how you rip it, this mat features the proven layered, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly-absorbent, fine-fibre construction won't leave behind liquids or fibre residue
- Absorbs and retains most acids, caustics and unknown liquids
- Pink colour is easily distinguishable to assure workers use the correct mat during a spill emergency
- Perforated every 9.5cm across width and every 25cm across length; "rip" the perfect sized Mat, then "fit" it into place
- Dispenser box makes mat easy to access, carry and store whilst protecting contents from dirt and moisture
- Heavy-weight construction is highly durable and absorbent for demanding tasks and large-volume cleanups

Specifications

Colour	Pink
