once they're gone, they're gone!

- Virgin polyethylene material is durable, chemical-resistant and easy to clean
- Handle rotates through 360 degrees with slight detents at both open and closed positions; unique design offers variable output
- Lip around bottom of spout lets you attach an output hose for longer range (hose and clamp not included)
- Convenient hook lets you hang pails and buckets for filling; reduces strain and helps prevent injury
- Lockable to prevent unauthorised or accidental dispensing
