

8-Drum / 2-IBC Hard Top Containment Pallet

PAKE297 Holds (8) 210 ltr. Steel or Poly Drums, or (2) 1000 ltr. IBCs, 1200 L Sump Capacity, 4000 kg Load Capacity

Load your drums or IBCs into this roomy Hard Top Containment Pallet for all-weather protection and liquid containment.

- Ideal for the storage of chemicals, drum and IBC dispensing and hazardous waste collection
- Tall headspace easily accommodates drums or IBCs with rotary pump equipment and conical funnels still in place – internal dimensions 298cm W x 135cm D x 167cm H
- Pallet sump with support pillars catches leaks, drips and spills while keeping drum or IBC tops and accessories within reach
- Corrosion free, weather and chemically resistant PE construction prevents stormwater from entering and protects the drums or IBCs inside
- Lockable, sliding doors allow easy forklift access for loading and unloading drums or IBCs
- Ready for anchoring to the ground for security (anchor kit available to custom order)
- No assembly required! Delivered ready to use
- Integral fork pockets to relocate the unit (move unloaded only)
