

Absorbent Mat Roll Refill for PIG® HazMat Quick-Response Spill Cart

MAT13401 Heavyweight, 38cm x 27m, 1 roll

Restock your HazMat Quick-Response Spill Cart with this replacement roll of PIG HazMat.

- Quickly mount this made-to-fit roll of HazMat inside your HazMat Quick-Response Spill Cart, as soon as your current roll runs out, and stay ready for HazMat spill response with pull-and-tear dispensing
- Safely grab from the PIG HazMat roll —made to absorb hazardous chemicals including acids, caustics and corrosives — since the high-visibility pink colour is quickly identifiable in a spill emergency.
- Note: this roll fits inside the current Quick-Response Spill Cart design; previous versions of the small caddy design do not accommodate this size of roll

HazMat/Chemical Notice

To ensure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with PIG® HazMat Chemical products and PIG® Essentials Chemical products prior to purchase. If you have any questions or need samples to test, please call Technical Services.
