

Adhesive Mastic 310mL Tube

PTYE200 1 - 310mL Cartridge

GRP Anti-Slip Edges, Covers and Sheets can be glued to dry surfaces using this gap filling adhesive.

- Bonds Edges, Covers and Sheets to a variety of surfaces for lightly trafficked areas
- Use in conjunction with screws for secure fixing for general or heavy use
- Adhesive mastic fills minor deviations in the substrate and prevents the GRP from drumming, rocking or vibrating
- Achieves a good bond in approx 2-4 hours in normal drying conditions
- Fits a standard cartridge mastic gun (sold separately)
- One standard 310mL tube covers 12 linear metres of Anti-Slip Step Edges or Step Covers, 2 x 120cm long Anti-Slip Landing Covers or one 120cm x 240cm Anti-Slip Sheet
