

ADR Spill Response Box - Small

CANE206 For PIG® ADR Spill Kits

Use this tough Box to protect your ADR Spill Response Bag from the elements or to keep essential vehicle accessories, like a containment pool, ready for on-the-road spills and leaks.

- Strong, durable and lightweight polyethylene construction
- Flat back for ease of mounting
- Suitable for truck and trailer mounting using optional fitting kit (sold separately, GENE205 or GENE206)
- Internal tension strap helps prevent movement of spill kit, containment pool, or other items stored inside
- Plastic toggle latch with lynch pin keep lid secure and contents protected
