

Bubble Sof-Tred™ Mat Roll, per metre

FLME177 Not for Chemical Contact, Not for Oil/Grease Contact, 60cm x 13mm

Safety and comfort is key! High-quality anti-fatigue mat for medium-duty industrial environments has optional yellow borders for visibility.

- Recommended for medium-duty use in dry industrial environments
- 13mm thick mat with unique ergonomic bubble design provides exceptional worker comfort
- Protective layer of exclusive Dyna-Shield™ extends service of life by 50% compared to regular micro-cellular vinyl*
- Sold per metre, you can customize your mat length to your workplace with clean, factory-cut edges; maximum full roll length is 18.3m
- All 4 sides are bevelled and sealed to minimise tripping hazards
- Available with yellow borders along sides for added safety
- Slip resistance R10 according to DIN51130 and BG-rule BGR181
- Fire rating Class 2 according to NFPA Safety Code 101
- Free of DOP, DMF, ozone depleting substances, silicone, and heavy metals; safe for vehicle painting facilities

* Supported by independent laboratory testing.

Specifications
