Carry Bag for DrainBlocker® Drain Cover

PLR232 For DrainBlocker® Drain Covers

When a spill strikes, every second counts. Our carry bag makes it easy to locate your drain cover and get there fast.

- Designed to hold square DrainBlocker Drain Covers for easy transportation and fast spill response
- Wall-mountable drain seal bag has "J" hooks and "D" rings (included) for easy installation
- Made of weather-resistant, PVC-supported nylon; protects Drain Cover and withstands damp environments
- Yellow colour is highly visible for easy location during a spill
