

Cast Iron Drum Adaptor - 2" BSP (male) to 3/4" BSP (female)

DRME404 For 210 ltr. Steel or Poly Drums w/ 2" Bung, 1 each

Inexpensive and easy-to-use Drum Adaptor converts thread from 2" BSP to 3/4" BSP.

- Converts the 2" BSP thread on a drum to 3/4" BSP thread on drums
- Ideal for use with 3/4" drum taps, measuring gauges, vents or other accessories
- NOTE: rubber 'O' ring is required (sold separately) when the drum is laid horizontally for use with a drum tap
