

Cast Iron Rotary Pump

PMPE142 For Oil Based & Flammable or Combustible Liquids, 27 ltr./Minute, Fits 210 ltr. Drum w/ 2" NPT/BSP Bung

Heavy-duty cast iron construction enables Pump to withstand heavy, frequent use.

- Rotary operated for fast, easy dispensing of large volumes of liquid
- Rugged and hard wearing for frequent use
- No power source required - ideal for applications where you don't have access to electricity or compressed air
- Lightweight design can be broken down for compact storage or disassembled for easy cleaning
- Excellent for use with light oils, diesel and other non-corrosive fluids
- Delivers up to 27 litres per minute to quickly fill containers
- Three-piece suction tube fits 210-litre drums
- 1” (25mm) outlet spout for dispensing
- Fits 2" BSP or 2" NPT bung threads on 210-litre drums

Use With	Oil Based & Flammable or Combustible Liquids
Outlet	25mm OD
