

Cellmax Mat

FLME410 100cm x 150cm

Sturdy rubber entrance mat and duckboard that provides excellent rigidity due to its solid cellular construction.

- Suitable for heavy foot traffic areas, for loose lay placement or recess frames, indoors or outdoors
- Straight edge product design allows the mats to be joined together to cover large areas
- Cellular, slip resistant surface is ideal for use in wet areas
- Economical 23mm H rubber duckboard matting, offering comfort and safety
- Straight edges allow mats to be joined in both directions using connectors, to cover large areas around machinery
- Drainage holes and raised studs allow fluid and debris to fall through, leaving a clear surface
- Designed to withstand industrial use over a long period
- Ideal for use in wet industrial areas, walkways and entrances
