

Cushion Ease™ Nitrile Modular Mat - Fire Retardant

FLME217 Not for Chemical Contact, For Heavy Oil/Grease Contact, 91cm x 91cm x 19mm

Modular nitrile rubber oil-resistant anti-fatigue mats with holes provide excellent drainage for a dry, clean work area.

- Recommended for heavy-duty use in wet industrial environments
- Interlocking mats allow on-site customisation; snap-together units of 91cm x 91cm can be assembled effortlessly and laid out from wall to wall or as islands in any direction or shape
- Made of 100% heavy duty nitrile rubber compound, resistant to most industrial oils and suitable for use in welding areas
- Excellent drainage via 576 holes per mat keep the standing surface free of liquid
- Superb anti-fatigue properties due to its unique design underneath and high-quality resilient rubber compound
- Slip resistance R9 according to DIN51130 and BG-rule BGR181
- Fire classification Bfl-S1 tested according to EN 13501-1
- Free of DOP, DMF, ozone depleting substances, silicone, and heavy metals; safe for vehicle painting facilities
- Optional bevelled edges (sold separately) prevent tripping and allow inside and outside corners

Specifications

Colour	Black
Dimensions	91cm W x 91cm L x 19mm H
Bevelled Edge	No
Grit Surface	No
Modular	Yes
Safe for Welding Areas	Yes
Sold as	1 each
Weight	10.8 kg

Composition	100% nitrile rubber
Application	Wet Applications
Chemical Contact	Not for Chemical Contact
Oil/Grease Contact	For Heavy Oil/Grease Contact
Static Dissipative	No
Water Contact	Draining
