

Disposable Drain Seal

PLRE166 For Rectangular Drains up to 45cm x 65cm, 4 each

This inexpensive, versatile product stops liquids from entering drains and causing pollution. Clay composition creates a 100% seal, even sticking to rough, irregular surfaces like tarmac or concrete!

- An economical choice for drain protection when a disposable product is required, eliminating the need for decontamination after use
- This versatile and strong product will instantly protect a range of different sized drains from spilt oils and chemicals - for larger sized drains, just overlap multiple Disposable Drain Seals
- Used by most fire services as first line pollution defence
- Our drain plug mats fit the contours of drains to create a 100% seal on uneven or broken drains and rough surfaces; due to their flexibility you can easily plug misshapen drains
- Resistant to the most common oils and chemicals, remains flexible at low temperatures to -20°C, and treated with a formula which prevents mould growth
- Easy to use - simply peel of the protective plastic from one side, then press the exposed side firmly into and around the drain
- Disposable Drain Seals should be placed in areas of high risk, and can even be used as an emergency patch to temporarily seal leaking drums or tanks
- Ideal to help with ADR compliance, Chapter 8.1.5.3 when a drain seal is required

Specifications

Use With	Rectangular Drains up to 45cm x 65cm
Style	Non-Weight Bearing
Colour	Grey
Dimensions	45cm W x 65cm L x 3cm H
Intended For	Use on Rough Surface
Max liquid temp exposure	Thermal Decomposition at 400°C (752°F)
Storage Temp Range	Store from -18°C (0°F) to 49°C (120°F)
Temperature Limit	Lower Limit of -20°C (-4°F)
Sold as	4 per package
Weight	23.39 kg

# per Pallet	30
Composition	Food grade clay, Monopropylene glycol (CAS No. 57-55-6), crumb rubber, water
Shelf Life	3 years
UV Resistant	Not UV Resistant

Technical Documents

- Disposable Drain Seal
- Disposable Drain Seal
- ADR (International Carriage of Dangerous Goods by Road) 2009
- Environmental Protection Act 1990
- Water Resources Act 1991
