

Drum Adaptor - DIN61 (female) to 2-Inch BSP (female)

DRML402 For 210 ltr. Steel or Poly Drums w/ 2" Bung, 1 each

Inexpensive and easy-to-use Drum Adaptor converts thread from BSP to DIN.

- Converts the 2" BSP thread on pumps and taps to fit a DIN 61 thread on drums
- Heavy-duty polypropylene has high chemical compatibility to withstand frequent use within tough environments; won't rust or corrode
- Use with DIN 61 external screw necks on 'L' ring drums or IBC's, Plysu 20-25 litre drums with 59mm necks, Valerex 60mm necks, Dynoplast 25 litre drums with DIN 61 neck
- Convert DIN 61 female to 2" BSP female
- Common drum types: Van Leer (Valerex), Economic Drums, Gallay, Mauser, Schutz Drums & IBCs, Sotralentz IBCs, Van Leer Unicubes

Use With	210 ltr. Steel or Poly Drums w/ 2" Bung
