

Drum Adaptor - Trisure (male) to 2-Inch BSP (female)

DRML400 For 210 ltr. Steel or Poly Drums w/ 2" Bung, 1 each

Inexpensive and easy-to-use Drum Adaptor converts thread from BSP to Trisure.

- Converts the 2" BSP thread on a pump or tap to fit a 2" Trisure thread on drums
- Heavy-duty polypropylene has high chemical compatibility to withstand frequent use within tough environments; won't rust or corrode
- Use with plastic drums with TRISURE-EURO buttress plugs to convert 56mm x 4 Male to 2" BSP female
- Fits most plastic drums of 20, 25, 50 & 60 litre size
- Common drum types: Van Leer, Economic Drums, Gem Plastics, Dynoplast, Rexam Harcostar, Roug, Hannells, Sotralentz, Schutz

Use With	210 ltr. Steel or Poly Drums w/ 2" Bung
