

Entra-Clean Hygiene+ Entrance Mat

FLME380 60cm x 90cm

Entra-Clean Hygiene+ is a machine washable doormat that actively kills germs.

- Suitable for heavy foot traffic areas, for loose lay placement indoors
- Improve floor level hygiene around your business – important whilst fighting Covid-19 and beyond – this mat removes visible dirt and kills invisible microbes
- Mat is treated with EU-registered biocide, BI-OME registered with OEKO-TEX® an antimicrobial and virus reducing technology; BI-OME works by effectively killing bacteria when contact is made with the mat
- BI-OME treatment is a highly effective antimicrobial agent, yet does not cause any skin irritations and is free of metals
- Reduces annoying odours caused by bacteria and fungi
- Fully machine washable at 30°C with no reduction in active cleaning power for the life of the mat
- Suitable for all facilities, in particular offices, hotels and leisure, retirement homes and healthcare settings
- Low 9mm profile with anti-slip vinyl backing
