

Entraplush Entrance Mat

FLME301 90cm x 150cm

Designed to trap dirt and debris whilst protecting interior floors, the Entraplush Mat is an economical solution to stop dirt and cut cleaning costs. Cleans easily with a standard vacuum so you can avoid expensive laundering.

- Suitable for light foot traffic areas, for loose lay placement indoors
- Economical Mat saves you money with a low price and inexpensive maintenance; cleans easily with a standard vacuum cleaner, no need for expensive laundering or professional cleaning
- Crush-resistant, quick-drying polypropylene fibres create a durable mat that captures dust, dirt and moisture to keep them from entering your facility
- PVC backing prevents Mat from sliding for added safety on hard surfaces; backing also keeps liquids from reaching floor below Mat to help prevent staining
- Attractive pattern hides dirt; choose from a variety of colours to match your existing decor
