

# Fatigue Fighter II® Mat

FLME181 Not for Chemical Contact, Not for Oil/Grease Contact, 90cm x 150cm x 12.5mm

Fatigue Fighter II® Mat provides a fused, dual-layer anti-fatigue mat for superior comfort. Ideal for dry work areas, this Mat provides excellent fatigue-relief performance.

- Recommended for medium duty use in dry industrial environments
- Tough PVC foam top layer is extremely resilient to wear and tear; resists rips, tears and curls to help prevent slip-and-fall hazards
- Low-density bottom layer provides underfoot cushioning to reduce pressure on the back, legs and feet to enhance worker comfort and productivity
- Solid surface construction is best suited to dry work areas; provides insulation from cold concrete floors, and offers cushioning against parts or tools that may be dropped
- Bevelled safety edges help prevent trips and falls

## Specifications

Dimensions	90cm W x 150cm L x 12.5mm H
Bevelled Edge	Yes
Grit Surface	No
Modular	No
Safe for Welding Areas	No
Sold as	1 each
Weight	6 kg
Composition	PVC Foam
Application	Dry Applications
Chemical Contact	Not for Chemical Contact
Oil/Grease Contact	Not for Oil/Grease Contact
Static Dissipative	No
Water Contact	Non-Draining
