

# Fibreglass Chemical Tray

PAK739 27cm x 34cm x 1.8cm, 1 L Sump Capacity, 1 each

Catch drips and control messes with these smooth, seamless fibreglass trays. Chemical-resistant trays are easy to clean.

- Reinforced thermoset composite fibreglass resists chemicals and retains its shape, even under heavy loads
- Smooth corners and seamless design allows trays to be steam cleaned or sterilized for repeated use
- Molded edges safely contain minor spills or leaks from containers or oily parts
