

Fibreglass Chemical Tray

PAK742 36cm x 46cm x 1.8cm, 3 L Sump Capacity, 1 each

Catch drips and control messes with these smooth, seamless fibreglass trays. Chemical-resistant trays are easy to clean.

– Reinforced thermoset composite fibreglass resists chemicals and retains its shape, even under heavy loads
– Smooth corners and seamless design allows trays to be steam cleaned or sterilized for repeated use
– Molded edges safely contain minor spills or leaks from containers or oily parts
