

Fingerbrush Mat

FLME432 90cm x 180cm

Fingerbrush is a heavy-duty rubber mat, designed for external use that will clean shoes fast.

- Manufactured using premium quality rubber, this durable mat combined with its weight and non-slip backing, will stay firmly in place in the most extreme conditions
- Designed for external use and withstands weather extremes and heaviest foot traffic
- Thousands of flexible rubber bristles clean shoes fast
- Anti-trip bevelled rubber border to reduce the risk of trips
- Gripper underside detail to prevent mat movement
- Thick surrounding border stands higher than finger-scrapers to contain 14-15 litres of disinfectant solution*

*Tip: use quaternary ammonium, iodine, chlorine or any other sanitiser but always test its concentration. Most sanitisers are concentrated and must be diluted before use in a footbath. Follow label directions for appropriate dilutions.
