

Foam Rubber Squeegee

TLSE315 Straight Head, 45cm

Move spills and standing liquids with this non-marking Foam Rubber Squeegee. Just attach this Squeegee Head to a Squeegee Handle (sold separately) and get puddles off the floor and out of your way.

- Straight Squeegee Head is ideal for clearing liquids from wet work areas
- Double-bladed design wipes floors clean and virtually streak-free
- Durable steel fixing clamp securely holds a squeegee handle (sold separately)
