

Grit Bin & Salt Kit

PAKE256 200 L, 1 each

The Grit Bin & Salt Kit provides everything you need to keep paths clear of ice in cold weather.

- Tough, polyethylene bin is UV stabilised and will not discolour through long term exposure to sunlight
- Hinged Lid protects salt from the elements
- Comes with 25kg bags of white de-icing salt; leaves no dirty residue to be trodden into buildings and vehicles
- Salt is carefully screened to produce the most effective spread pattern increasing pedestrian safety and the working life of equipment
- Handy scoop included in kit makes it easy to spread and scatter salt over affected areas
- Kit is delivered on a pallet for easy off-loading, with the salt bags flat on the base of pallet, ready to be filled into the bin
