HAM-O® Universal Mat

MATE118 Heavyweight, 81cm x 116cm, 25 pads

"Hamouflage" pattern hides grime so mat always looks clean. Scuff-resistant top layer stands up to heavy equipment and foot traffic.

- Pre-cut to fit a standard Euro Pallet makes this ideal when storing or transporting leaky machine parts
- Exclusive "hamouflage" top layer saves on product and disposal costs; absorbed grime is invisible, so you'll leave mat in place longer and save money!
- Fast-wicking "diaper action" transfers liquids from the top layer into the absorbent inner layers; spills disappear in seconds
- Tough, spunbond top layer stands up to heavy equipment and foot traffic; won't rip, tear, fray or create a trip hazard, even when saturated
- Under the Ham-O top layer is the proven layered, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Absorbs and retains oils, coolants, solvents and water
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups

Colour	Grey Camo
Dimensions	81cm W x 116cm L
Mat Weight	Heavyweight
Fluids Absorbed	Oils, Coolants, Solvents & Water

Recycled Content	25% Recycled Content
Absorbency	Up to 113.2 L per bag
Perforated	Not Perforated
Sold as	25 pads per bag
Weight	2.27 kg
# per Pallet	18
Composition	100% Polypropylene
Packaging	Bag
Poly-Backing	No
UV Resistant	No
