

Hydraulic Drum Truck with 90-degree Legs

DRME203 For 210 ltr. Steel Tight-Head Drums, 450 kg Load Capacity, 1 each

Use this Hydraulic Drum Truck for loading and unloading 210 litre steel drums on and off pallets of all sizes.

- Legs are fixed at 90 degrees to accommodate the corner of the pallet
- Maximum lift height of 50cm accommodates pallets and drum sumps of all sizes
- Automatic drum grip lifts the drum by its rim
- Foot operated hydraulic pump lifts drum with ease; pedal folds up when not in use
- Touch sensitive release handle lowers the drum slowly and safely back down to the ground
- Two fixed wheels and two rear castors allow complete manoeuvrability when loading or unloading
- Quick, easy and effortless one person operation
- Durable epoxy finish withstands harsh industrial environments and helps prevent rusting
- Certified lifting capacity of 450kg
