# K-Mat Anti-Fatigue Mat

FLME198 For Wet Applications, 92cm x 153cm x 9mm

Get a grip on greasy, oily floors with this hygienic, anti-microbial mat.

- Recommended for heavy duty use in wet industrial environments, suitable for frequent oil spills
- Hygienic anti-microbial properties inhibit the growth of slime and odour causing bacteria on the mat
- Raised cross-grip surface for effective slip-resistance, and provides a cushioned surface for comfort underfoot and reduced breakages
- 12.5mm dia drainage holes provide aeration and allow fluids and debris to fall through, leaving a dry and tidy top surface
- 100% UV resistant nitrile construction provides excellent resistance to grease, oils, fats and detergents, especially in swarf prone areas
- Moulded edges on all four sides are bevelled to prevent tripping on the mat
- Ideal for food processing and manufacturing locations, oily work areas, as well as kitchens, bars and dishwasher stations
- Easily cleaned in commercial washing machine
