

Microfibre Doormat

FLME360 60cm x 90cm

A washable Microfibre Doormat with super absorbency.

- Suitable for heavy foot traffic areas, for loose lay placement indoors
- Exceptional multi-action entrance mat using hygienic Microfibre technology
- Superior 'brushing and wiping' with 'rapid dry' properties – even outperforms cotton and absorbs up to 15 times its weight in water
- Flexible, ultra-fine fibres (even finer than a human hair) provide deep-cleaning action on passing footwear
- Effectively penetrates those hard to reach treads on footwear and wheeled trolleys
- Friction from the fibres generates a static charge that attracts and traps dust/debris
- Filament structure creates a capillary effect for improved dirt retention/ absorbency
- Luxuriously soft pile that looks smart and will not lint
- High quality anti-slip PVC backing helps keep the mat in place
- Environmentally-friendly –does not require chemical pre-treatment or washing detergents; machine washable at 40°C
