

Mobile Drum Stand with Tilt Lever

DRME221 For 210 ltr. Steel Open- & Tight-Head Drums, 250 kg Load Capacity, 1 each

Load, transport and dispense from 210L steel drums with one Stand! The Tilt Handle and four nylon wheels let you easily load and move this Stand right to where it's needed, then the horizontal drum position allows for hassle-free access to its contents.

- Four nylon wheels (2 fixed, 2 swivel) let you easily bring 210L steel drums directly to point of use
- Horizontal drum position allows for hassle-free dispensing
- Use included 107cm long Tilt Lever Handle to tip Stand from vertical to horizontal for simplified loading and unloading
- Hook clamp holds drums securely against Stand
- Rotate drum on nylon rollers to conveniently dispense liquids and to help minimise drips during transport
- Durable red epoxy finish withstands harsh industrial environments and helps prevent rusting
- Tapered steel toeplate slides under base of drum, lifting even full drums when Stand is tipped back
- Add a Hook On Drip Tray (sold separately) to catch leaks and drips from drum tap
