

Mobile Steel Drum Pallet

PAKE219 For 210 ltr. Drums, 1337 kg Load Capacity, 1 each

Safely store and transport two 205 ltr. drums of flammable liquids on this Mobile Steel Drum Pallet.

- Large sump contains liquid from leaking drums and containers, helping you meet current Oil Storage regulations
- Features four castors (two fixed, two swivel & lockable) for stability and easy movement
- Removable galvanised steel grate creates an 85cm W x 134cm L storage surface, and elevates the drums to keep them away from any captured liquids
- Fully-welded leakproof sump catches leaks, drips and spills to help prevent groundwater contamination
- 115cm H handle makes transport easy
- Add an optional Securing Strap & Rail (PAKE229, available to order separately) to hold one 205 ltr. Drum firmly in place
