

# Multi-Purpose Drum Truck

DLY303 For 115 ltr. & 210 ltr. Steel Tight-Head Drums, 454 kg Load Capacity, 1 each

Just add a spigot to this truck/cradle combination, and you'll have an all-in-one mobile dispensing rig for 210-litre steel drums.

- Truck doubles as a cradle for draining; just add a spigot to have an all-in-one mobile dispensing rig
- Heavy-duty, welded, 25mm structural tube steel construction holds up to 454kg
- Nose prongs and slide hook hold drum securely by its top rim
- Allows you to dispense liquids into a 19-litre bucket
- 4 rubber wheels provide a smooth ride
- Kickstand allows upright storage
- 42cm drain height; minimum drum height of 71cm required for chime hook to catch top of drum
- When standing on all four wheels, the nose prongs will reach over a 14cm high wooden pallet, allowing the user to lever the drum truck vertical and position a drum onto a pallet
