

Oct-O-Flex Bevelled™ Entrance Mat

FLME315 120cm x 180cm

Stop dirt, grit and grime from entering the building with this outdoor rubber mat.

- Suitable for heavy foot traffic areas, for loose lay placement indoors or outdoors
- Small drainage holes (14mm dia) and smooth surface make this mat EU compliant for public entrances; ideal for wheeled access (carts, wheelchairs, suitcases, etc.)
- Bevelled edges on 4 sides for easy access onto the mat and to prevent tripping
- Excellent adherence and adaptability to any surface; raised knobs underneath allow water to easily drain through, keeping the surface clean and dry
- Octagonal ring design with open construction withstands the heaviest of foot traffic; easy to clean and practically weatherproof
- Vacuum clean or wash off with hose
- Other compounds available on demand (custom order) - Bfl-S1 fire-rated version, or 100% nitrile oil-resistant version
