

Oct-O-Mat™

FLML167 100cm x 150cm

Classic outdoor scraper mats stop dirt, grit and grime from entering the building.

- Suitable for heavy foot traffic areas, for loose lay placement or recess frames, indoors or outdoors
- Honeycomb anti-slip surface configurations with drainage holes allow liquids to drain through whilst scraping dirt and debris from shoes
- Heavyweight 23mm thick rubber construction assures non-shifting in heavy traffic applications
- Raised knobs underneath allow excellent drainage, leaving a clean and dry surface
- Ideal for Optional connector clips are available (FLML168, sold separately) to link sections of Mat together for large-area coverage
- Vacuum clean or wash off with hose
- Other compounds available on demand (custom order) - Bfl-S1 fire-rated version, or 100% nitrile oil-resistant version
