

Oil Drain Pan

TLSE159 17 L, 1 each

Collect drained fluids with minimal mess. The large footprint of this Drain Pan catches fluids from multiple points, and the spout makes emptying neat and easy.

- Large collection area and capacity allow you to drain high volumes of fluids from multiple sources; simplify maintenance and repairs by using a single Pan
- Anti-splash lip and helps reduce spills when carrying; keep work spaces safe by keeping floors clean and dry
- Pouring spout with screw cap lets you empty Pan without drips or spills; waste tanks stay clean and looking nice
- Moulded-in handles make carrying, pouring and storing easy
- High-density polyethylene is UV- and chemical-resistant; won't rust or corrode
