

## OilSafe® Drum

GLE0003 5 L

Store and dispense lubricants with this system of compact, wide-mouth containers, with lids available in different colours to help prevent cross-contamination.

- Liquid levels are easy to read and measure
- Made of durable, translucent industrial grade HDPE
- Opening is wide for quick, clean filling
- Keeps stored lubricants pure and free of contamination
- Includes label to identify contents
- Storage Lid (sold separately) prevents contamination while liquid is stored or transported
