

Pallet Loading Drum Truck

DRME210 For 210 ltr. Steel Open- & Tight-Head Drums; 210 ltr. Poly Open- & Tight-Head Drums with optional clamp, 300 kg Load Capacity, 1 each

Load and unload full 210L steel drums from platforms and pallets without a forklift or a struggle. Its four-wheel design and sliding retention clamp makes this heavy-duty Truck perfect for accessing drums being stored on elevated surfaces.

- Heavy-duty, tubular steel frame is strong and durable
- Four-wheel design is ideal for efficiently loading and unloading drums from pallets, platforms and other raised surfaces up to 19cm high
- Retention clamp secures both tight-head and open-top 210L steel drums to prevent sliding and shifting
- Tapered foot prongs slide under base of drum, easily lifting even full drums when Truck is tipped back
- Large, rubber-cushion wheels with roller bearings offer smooth travel in a variety of conditions
- Optional Clamp (sold separately) converts Drum Truck for use with 210L poly drums
