

## PIG® Absorbent Barrel Top Safety Message Mat with Poly Backing - Used Oil

SGN1203 Heavyweight, For 210-Litre Steel Drum, 25 pads

Convey critical alerts and keep your steel drum tops clean with these leak-proof message mats.

- Barrel-top message mats warn or direct workers, beyond just drum contents, while also preventing dirty drum tops
- Ideal for chemical companies, waste facilities, manufacturing plants and other industrial settings
- Fits standard 210-litre steel drums with perfectly sized cutouts for bungs
- Absorb oil drips, drops and spills
- Leak-proof poly-backing blocks seeping liquids to prevent dirty drums
- Bright imagery is easily legible and stands out to give you confidence that the message will be noticed
- Top location of message remains visible even when drums are grouped in storage with sides covered by other drums
- Durable construction of heavyweight mat lasts over many uses
- Box is wall-mount capable for convenient dispensing and storage (template printed on back of box, mounting hardware not included)
