

PIG ® Absorbent Barrel Top Safety Message Mat with Poly Backing - Waste Oil

SGN1200 Heavyweight, For 210-Litre Steel Drum, 25 pads

Convey critical alerts and keep your steel drum tops clean with these leak-proof message mats.

– Barrel-top message mats warn or direct workers, beyond just drum contents, while also preventing dirty drum tops
– Ideal for chemical companies, waste facilities, manufacturing plants and other industrial settings
– Fits standard 210-litre steel drums with perfectly sized cutouts for bungs
– Absorb oil drips, drops and spills
– Leak-proof poly-backing blocks seeping liquids to prevent dirty drums
– Bright imagery is easily legible and stands out to give you confidence that the message will be noticed
– Top location of message remains visible even when drums are grouped in storage with sides covered by other drums
– Durable construction of heavyweight mat lasts over many uses
– Box is wall-mount capable for convenient dispensing and storage (template printed on back of box, mounting hardware not included)
