PIG® Absorbent Bib

MAT2230 Lightweight, 13cm x 22cm, 10 pads

Catch drips and splashes while filling your tank by placing this absorbent bib around the fill opening.

- Keep your tank and floor clean by catching drips and splashes with this bib that's made to fit around fill openings
- Fits over a wide variety of fill openings; works with openings from 1.9cm (3/4") to 7.6cm (3") diameter
- Pad is easily removable to prevent damage to surrounding areas and for fast cleanup
- Absorbs and retains most common industrial liquids, including oils, water, solvents, coolants and more
- Area around fill neck must be cool before placing mat
