

PIG® Absorbent Mat Combo in Dispenser Box

MAT2240 Heavyweight, 38cm x 51cm, 100 pads

PIG® Absorbent Mat Combo Dispenser Box provides Universal and Oil-Only absorbent pads in one box to allow for versatile response to leaks, drips, and spills of oil and water-based liquids.

- Compact design for easy storage in vehicles or at workstations
- Double-sided dispenser box makes it easy to take, carry and store your mat whilst protecting it from dirt and moisture
- Grey, universal pads absorb and retain oils, coolants, solvents and water; White oil-only pads absorb and retain oils and oil-based liquids - including lubricants and fuels - without taking in a drop of water
- Lasts 2X longer than ordinary mats for fewer change-outs; that's why more plants worldwide use PIG Mat than any other brand
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier clean-up
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need so you use less mat and save money
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume clean-ups

Colour	Grey & White
Dimensions	38cm W x 51cm L
Mat Weight	Heavyweight
Fluids Absorbed	Oils, Coolants, Solvents & Water
Recycled Content	25% Recycled Content
Absorbency	Up to 83.6 L per dispenser
Perforated	Perforated down centre Widthwise
Sold as	100 pads per dispenser
Weight	8.2 kg
# per Pallet	27
Composition	100% Polypropylene
Packaging	Dispenser Box
