

PIG® Absorbent Mop

TLS731 For Replacement Pads for PIG® Absorbent Mop

Leave your mop and bucket for the nightly cleaning. The PIG® Absorbent Mop provides waterless, chemical-free cleanup of drips, splatters and splashes of grease, juice, cooking oil or water in a couple of quick passes.

- The PIG® Absorbent Mop is easy to use for quick, waterless cleanup of drips, splatters and splashes
- Replaces mops, buckets and expensive chemicals
- Hangs for easy storage so you can keep it close to problem areas
- Works underneath freezers, on backsplashes and in other hard-to-reach places
