

PIG® ADR Spill Response Tote Bag - Large

KITE447 Absorbs up to 51.3 L, 1 each

Spill kit in cube-shaped bag fits inside your vehicle's large external compartments or mounted storage box to keep you prepared for spills on the road whilst helping you comply with ADR Regulations.

- Designed just for trucks! Packed with PIG Absorbents and essential spill supplies for cleaning up oil, fuel and other oil-based vehicle fluids
- Cube-shaped tote bag design fits inside a mounted storage box or large external compartment of a truck or other vehicles
- High-vis yellow bag with reflective striping is easy to find; increases driver visibility and safety during spill response
- Durable fabric and rugged construction won't rip or tear; tough enough to refill and reuse
- Bold "Spill Kit" lettering printed on front and sides of bag for quick identification
- Carrying straps and shoulder strap make it easy to pull bag from its storage space and take supplies to the spill
- Can also be stored in a weatherproof ADR Spill Response Box (CANE207, sold separately) for easy-access right on your vehicle's exterior
- Oil-only absorbents soak up small leaks and spills of motor oil, fuel and other oil-based vehicle fluids - but not water
- Only PIG Spill Kits feature PIG Absorbents - the world's #1 selling brand
