

PIG® Aggressive Chemical Absorbent Packaging Bag

PKG3018 Heavyweight, 10cm x 15cm, 50 bags

Secure your shipment from escaping aggressive chemicals by sealing your container in this packaging bag with absorbent sheet.

- Sealable plastic bag with absorbent sheet traps and soaks up liquid escaping from container
- Zip-top closure contains potential leaks to help protect other packaged items from free-liquids
- Soft-but-heavyweight sheet adds light cushioning and scratch protection
- Built-in mat flap lets you fold mat over the top for added barrier from seal point; tab also makes it easy to find the opening
- Absorbent-bag combination works on most free aggressive liquids, including acids, caustics and unknowns
- Durable multi-layer construction holds together, even when saturated
