

PIG® Aggressive Chemical Absorbent Packaging Bag

PKG3021 Heavyweight, 30cm x 38cm, 50 bags

Secure your shipment from escaping aggressive chemicals with this bottom-gusseted poly-bag designed for bottles and other wide containers.

- Trap and absorb free aggressive liquids from wide containers or parts with this gusset pouch
- Zip-top closure contains potential leaks to help protect other packaged items from free-liquids
- Accommodates bottles, allowing the bottom to sit flat for vertical storing and shipping
- Absorbent pouch is soft to protect from scratches and heavyweight to add light cushioning
- Absorbent-bag combination works on most free aggressive liquids, including acids, caustics and unknowns
- Durable multi-layer construction holds together, even when saturated
