

PIG® All-in-1 Mat

MATE916 91cm x 162cm, 1 each

Not only will your floors be drier and safer, but your workers will also be more comfortable on this combo absorbent/anti-fatigue Mat. Its cushioned nitrile Tray grips HAM-O® Mat to prevent sliding and keeps slippery liquids from reaching the floor.

- Reusable, chemical-resistant nitrile rubber Tray features raised studs on back side for cushioning, comfort and aeration; offers workers fatigue relief and a secure surface to stand on that won't slip and slide underfoot, even on epoxy-coated or newly painted surfaces
- Gripping nubs on inside bottom of Tray hold absorbent HAM-O® Mat in place and eliminate unexpected movement
- HAM-O® Mat absorbs oils, coolants, solvents and water whilst non-permeable rubber Tray retains excess liquids to help keep floors dry around workstations and prevent slip-and-fall injuries
- Durable top Mat layer won't tear under heavy foot traffic whilst bevelled Tray edges create a smooth transition from floor to help prevent trip-and-fall injuries
- Exclusive "hamouflage" pattern makes leaks and drips virtually disappear, so Mat stays on the job longer
- Tray is fire-retardant according to DIN EN 13501
- Silicone-free materials can be used in spray paint applications with no risk
- Internal dimensions of tray are 82cm W x 152cm L
- Additional HAM-O® Pads sold separately; swap out used absorbents without replacing the Tray

Specifications

Colour	Tray: Black with orange border; Pads: Grey Camo
Dimensions	91cm W x 162cm L
Fluids Absorbed	Oils, Coolants, Solvents & Water
Recycled Content	25% or more Recycled Content

Absorbency	Up to 58.5 L
Perforated	Not Perforated
Sold as	1 each
Weight	23.9 kg
Composition	Tray: Nitrile rubber Pads: 100% Polypropylene
Includes	1 - 91cm x 163cm Anti-Fatigue Mat Tray (MAT916) 10 - 81cm x 150cm PIG® All-in-1 Mat Refill (RFLE906)
Packaging	Box
Poly-Backing	No
