PIG® Anti-Static Zipper Top Packaging Bag

PKG057 30cm x 7cm x 38cm, 500 bags

Confidently pack electronics, containers filled with flammable liquids and more in these Anti-Static plastic bags for safe shipping or storage.

– Anti-static bags help dissipate static charge to make storing or shipping lithium-ion batteries and flammables safer
– 4-mil packaging plastic bags withstand common rough conditions during shipping
– Ideal for lithium-ion batteries, small containers of flammable liquids, electronics and more
– Zip-top contains potential leaks to help protect other packaged items from free-liquids
– Heavy-duty resealable plastic bags are versatile for a variety of uses
– Pink colour distinguishes anti-stat bags from other bags for quick recognition at a glance
