

# Pig Blue® Absorbent Mat

BLU107 Lightweight, 38cm x 48cm, 50 pads

Our best value mat catches common industrial liquids and delivers more absorbency per pad at the so you use less, leave them down longer, reduce waste and save money; comes in a convenient dispenser box.

- Catch and absorb steady leaks and drips until you can make repairs, especially in hard-to-reach areas, with our lightweight absorbent pads; provides the best value and allows you to use fewer pads on minor messes to minimize waste and save money; dispenser box is easy to store on shelves and counters
- Stays down longer because it can absorb so much! Pig Blue is perfect for steady leaks and drips and in areas where changeouts are difficult, like under machines or generators or in hard-to-reach areas
- Saves you time and money by soaking up large volumes and staying down longer; it won't fall apart, even when it's soaked and absorbs liquid quickly for faster, easier cleanups
- Perforations allow you to tear off small or large pieces
- Eco-friendly mat contains 75% recycled fibres
- Fire retardant for added safety; flame-tested in accordance with ASTM Standard E84-08
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
