

Pig Blue® Barrel Top Mat

BLU255 Lightweight, For 210-Litre Steel Drum, 25 pads

Our most absorbent mat keeps barrel tops cleaner, longer. Pig Blue Barrel Top Mat pulls in almost twice as much as standard mats.

- For your biggest pump and dispensing messes, put the absorbing power of Pig Blue Mat to work: Pound for pound, it's our most absorbent mat!
- Soak up pump drips without cluttering up your work space with dirty rags
- No leak zones! Consistent construction produces a mat that is free of light spots to absorb liquid evenly for better wicking and retention
- fibreFusion Technology fuses superabsorbent natural fibres with strong synthetic fibres for one high-performance absorbent
- Contains 75% recycled fibres; ideal in situations where green products are desired or required
- Fire retardant for added safety; flame-tested in accordance with ASTM Standard E84-08
- Absorbs oils, coolants, solvents and water; not recommended for acids, caustics or other corrosive liquids
- Fits 210-litre steel drum tops; pre-cut with holes for 3/4" and 2" bungs to provide a perfect fit
- Dispenser box makes it easy to take, carry and store your mat whilst protecting it from dirt and moisture

Specifications
