

## PIG® Build-A-Berm® Barrier

PLRL222-999 14cm x 1524cm x 5cm, 1 each

Build a semi-permanent barrier around your machinery or storage areas with our crush-resistant spill berms.

- PIG Build-A-Berm Barriers can be constructed into a semi-permanent, high-visibility barrier that's exactly the size and shape you need - indoors or out
- Pliable open-cell foam barrier springs back into shape after you walk or roll over it with light, wheeled equipment
- Durable, all-vinyl covering resists oils, coolants and most chemicals
- Cut to length with utility knife; for best sealing results, secure to a smooth, sealed surface with sealant (included); join seams with Industrial-Strength Vinyl Cement (not included) or with sealant (included)
- Contain leaks and spills around your machinery without building expensive concrete curbs or cutting and installing angle iron
- High-visibility yellow colour draws attention to barrier for increased safety
- Easy removal requires only a flat-bladed shovel
- Great for use around battery charging stations, machinery or any other leak-prone areas
- Kit includes straight sections, corners and sealant; create any length, shape or configuration to suit your application or environment
- 
- NOTE: Not intended for use with heavy equipment or forklifts

Style

Walk-on

Colour

Yellow

<b>Dimensions</b>	14cm W x 1524cm L x 5cm H
<b>Intended For</b>	Use on Smooth Surface
<b>Temperature Limit</b>	-30°C (-22°F) to 71°C (160°F)
<b>Sold as</b>	1 per box
<b>Weight</b>	12.51 kg
<b>New Pig Patent</b>	5,820,297
<b>Composition</b>	Barrier - 18 oz. Vinyl-Coated Fabric with Open-Cell Polyurethane Foam Core Sealant - One-Part Silicone Rubber
<b>Includes</b>	2 - 14cm W x 5cm H x 762cm L Build-A-Berm® Rolls (PLR264) 4 - 18.5cm L x 14cm W x 5cm H Build-A-Berm® Corners (PLR265) 6 - 310mL 895 Silicone Sealant (PTYL301)
