

PIG® Burpless® One-Hand Sealable Drum Funnel

DRM1125 For 115 and 210 ltr. Steel Drums w/ 2" BSP Bung, 1 each

Patented Burpless designs deliver no-splash filling and one-handed access for easy reg compliance.

– Fast pouring, no splashback and a one-hand latching lid make it easy to meet regs
– Exclusive latching handle design easily opens and closes lid in a simple, single-handed operation
– Secure closure helps you meet closed container regs, but opens and closes instantly
– Patented Burpless design vents during pouring for fast, smooth flow with no dangerous splashback
– Lets you pour without venting through 3/4" bung, a possible closed container reg violation if left open
– Nitrile gasket and locking mechanism completely seal lid to help reduce vapour emissions
– Lockable to prevent unauthorised access
– Durable, chemical-resistant powder coat helps ensure long service life
– Multiple lid colour options let you segregate drums
– FM Approved for flammable liquids when equipped with a PIG Drum Funnel Flame Arrestor (DRM617, sold separately)
