

PIG® Burpless® Poly Drum Funnel

DRM1681 For 115 and 210 ltr. Poly Drums w/ 2" Buttress Thread, 1 each

Burpless Poly Funnel with built-in overfill preventer chugs as fast as you can pour, without burps or splashbacks!

- Burpless design vents during pouring for fast, smooth flow with no dangerous splashback
- Lets you pour without venting through 3/4" bung
- Built-in overfill preventer stops flow when the drum is almost full to help you avoid messy overfills
- Thick-wall, 100% polyethylene construction resists UV rays, rust, corrosion and most chemicals
- Designed for use with non-hazardous liquids: coolants, non-flammable oils and water-based liquids
- Lockable to prevent unauthorised access (padlock not included)
- Multiple lid colour options let you segregate drums
- Attached hinged lid won't get lost or separated from funnel
- Threaded brass neck fits 2" Trisure Buttress M64x3 Thread bung opening on 115- and 210-litre poly drums
- PTFE tape (included) provides an excellent seal between funnel and drum
